ABOUT THIS MODEL

Mirage/TNT UCH car hauler trailers are designed to handle years of every day use with low maintenance. We manufacture 7k or 10k GVWR utility trailers. Our UCH trailers are available in lengths from 7x14 to 7x20 and can support payloads up to 8000 pounds. In addition, plenty of optional features are available to ensure that your trailer will help you get the job done right. Choose from options like additional stake pockets, winch mounts, tongue boxes, and 2' beavertail.
