ABOUT THIS MODEL

The Xecutive/Torque race trailer is available in tandem or triple axle configurations. They are flat top car haulers with a sleek, stylish profile. Plenty of aluminum accents and trim help create a trailer that looks as good as it performs. You simply will not find a comparable trailer on the market with as many standard features, built by a manufacturer that considers custom orders standard operating procedure. Add a deluxe package featuring added trim pieces, aluminum wheels, anodized rear wraps, and polished aluminum castings. The Xecutive/Torque tandem axle race trailer is available in lengths from 16-32 feet, with 6k, 5.2k, or 3.5k axles, and can carry a maximum payload of 8700 pounds. Triple axles are available in lengths up to 32 feet, and can carry up to 13300 pounds.
